INT. JANET'S ROOM, NEXT STOP HEAVEN - DAY

An ELDERLY WOMAN sits in an ugly floral armchair in a sad excuse for an "apartment". She stretches hopelessly as she tries to put on SHOES. There's lots of grunting. She slumps, exhausted.

JANET

Fuck it. Death, just take me now.

This is JANET (90s, Sophia from Golden Girls but with an even dirtier mouth).

NINA

Knock, knock.

NINA (late 80s, walking doormat) stands at the threshold looking like an Ann Taylor catalog model.
