INT. EXAM ROOM - DAY

A large, white, cylindrical fMRI device resembles a space pod.

We see GAVIN -- or at least his lower torso -- on an exam table lodged halfway into the center of the machine.

ALLIE (20s) stands by the device and holds Gavin's hand.

A voice comes over an intercom:

GAVIN

I'm going to get into some  
personal questions, but let me  
know. I'm halfway up a giant  
Fleshlight, so let's build

ALLIE

I'm here for you.
